Dear Friend,

It's been an honor and a privilege to serve you as a positive, effective, independent Councilmember.

Like you, I want Pleasant Hill to continue to be a great small city. And, I want it to thrive. That is why I have worked to have our city government be open, communicative, respectful, and responsive to our residents.

I've been a strong advocate for Pleasant Hill and our residents. And, as a result, the City's in good shape. With your help, I will continue to tirelessly pursue our shared vision of a brighter future for Pleasant Hill.

Together, we can make Pleasant Hill an even better place to live and raise a family.

Sincerely,

David

Re-Elect

**On November 4, VOTE for David Durant
for Pleasant Hill City Council**

As your Councilmember, I focus on careful long-term planning that ensures our city's financial health and well-being.

☑ **I build bridges and make common sense decisions.** I prepare, listen, decide, and act. In doing so, I don't play "politics." I build partnerships and pursue cooperation. For example, I've helped build a stronger partnership with both the Recreation and Park District and the Mt. Diablo Unified School District. I have been a forceful advocate for improving school conditions and an improved Senior Center. I have pursued responsible and equitable policies that protect our neighborhoods, support our businesses, provide better flood protection, and promote safety. Going forward, I will continue to find areas of common ground and get results.

☑ **I have a solid record of fiscal responsibility and strong leadership.** I have made tough choices to streamline and improve city services while protecting our budget and your local tax dollars. I insisted on prudent reserves. I am committed to continuing to make City services more efficient and effective. I will be creative in seeking ways to keep our roads and sidewalks well-maintained. I will work to make our city government operations more "green." I will continue to seek enhanced police services. And, I will ensure that the City continues to live within its means.

☑ **I am effective in managing growth.** I've worked hard to facilitate an attractive and dynamic Crossroads Shopping Center. I've led the charge to ensure our Downtown is thriving and that we have ample and attractive landscaping around town. At the same time, I've fought to preserve Pleasant Hill's residential character and to restrain over-zealous development. You can count on more of the same!
